

Armrest Organizer

Supplies:

- Large Bone Template
- 1 Fat Quarter Cotton Fabric for Body
- 1 Fat Quarter Cotton Fabric for Pockets and Clip Strip
- 2" x 5" Non-Slip Mat
- 9" x 20" Fusible Fleece
- 9" x 12" Medium Fusible Interfacing

Cutting:

- Placing Bone Template on Fold, as marked, Cut 2 Bone Shapes from Body Fabric
- Cut (2) 5 3/4" x 18" Strips from Pocket Fabric
 - Sub Cut 4 pockets by placing the wide end of the Bone Template on the edge of the strip
- Cut (1) 3" x 5 1/4" Strip from Pocket Fabric to make Clip Strip
- Placing Bone Template on Fold, as marked, Cut 1 Bone Shape from Fusible Fleece
- Cut strip 1 1/2" x 5" from Fusible Fleece
- Cut (1) 5 3/4" x 18" Strips from Medium Interfacing
 - Sub Cut 2 pockets by placing the wide end of the Bone Template on the edge of the strip

Assembly:

1. Place two pocket pieces right sides together, and stitch 1/4" across top flat edge.
2. Press seam to one side, and fold so right sides are out.
3. Press Fusible Interfacing to inside of pocket piece
4. Stitch 1/8" across top of Pocket
5. Repeat steps for second Pocket
6. Fold Clip Strip in half across short side, right-sides together and stitch 1/4" along long side
7. Press seam open, centered on back of tab.
8. Press 1 1/2" x 5" Fusible Fleece centered over back of Tab
9. Turn Tab Right-side out and press with seam down center back of Tab
10. Press Fusible Fleece to the wrong side of the Body Top
11. Place Body top right side up.
12. Place Tab across center of Body
13. Place pockets, right side up at bottom of each end of body, lining up edges

14. Place right side of Body back down on top of "sandwich", lining up all edges, Clip to hold pieces
15. Stitch around leaving open about 3" at the bottom of one pocket to turn
16. Clip curves and turn right-side out.
17. Roll edges to flatten and press.
18. Clip Non-Slip strip across center back.
19. With top down, and starting before opening, Stitch $\frac{1}{8}$ " around entire organizer. You may want to cover Non-slip Strip with butcher paper to make it easier to stitch over. You could use even feed "walking" foot
20. Stitch center of one Pocket from bottom seam to $\frac{1}{8}$ " from top of Pocket. Add Belt Loop stitch across top of this stitch to strengthen.
