TEMPLATE	PART	FABRIC	INTERFACING
Card Slot	8" x 8.5"	Cut 2	none
Card Slot	8" x 8"	Cut 1	none
Card Slot	8" x 7"	Cut 1	none
Card Slot	8" x 6"	Cut 1	none

- OR - Card Slots from **Fabric** for ONE NCW

TEMPLATE	PART	FABRIC	INTERFACING
Card Slot	8" x 8.5"	2	809 on one only
Card Slot	8" x 8"	1	809
Card Slot	8" x 7"	1	809
Card Slot	8" x 6"	1	809

Fabric Selection Suggestions

- Pick 5 coordinating fabrics. You need a fat quarter or less for each part of the wallet so a Fat Quarter Bundle will work as well as many scraps from your scrap bin!
- Consider the size of the wallet when looking at your fabric patterns.
- For the 1st few times you make the NCW, avoid focal fabrics where you'll fussy cut, one directional fabric, stripes, plaids, etc.
- We suggest using Waterproof Canvas for card slots as there is no need for interfacing. But.... you can use fabric. If using fabric, you'll need to add interfacing.
- Fabric placement makes all the difference! Here are some recommendations.

NCW Feature	Template Used	Template	Photo(s)/Suggestions
Oval Exterior	Oval		  <p>Blue on front & back. Choose fabric you really like!</p>
Oval Interior	Oval		   <p>Stripe on left & right sides - Stripes behind card slots. Not much of this fabric will show.</p>
Flap Exterior	9"x5.5", Flap	 	 <p>Striped fabric - Another favorite; maybe even your most favorite! This is what people will see if you wear it as a cross body.</p>
Flap Interior	9"x5.5", Flap	 	 <p>Purple bubbles - Another fabric to feature or to 'pop'. Could be a nice surprise when you open!</p>
Zipper Exterior	Multi		 <p>Green fabric - This fabric is the middle inside so choose a fabric you like.</p>
Interior Zipper Pocket Pieces	Multi 4" x 8" (2) Not interfaced		 <p>Multi-color fabric - You'll only see this when pocket is open. You might choose a lighter colored fabric.</p>
Card Slots	Multi		 <p>Black Waterproof Canvas - Waterproof Canvas doesn't require interfacing. If using fabric you need to interface.</p>
Zipper Tab, Flap Tab, D Ring Tabs	None included	Cut 2" x 8" with any Martelli ruler	    <p>Same as Exterior Flap - Should coordinate with exterior flap.</p>
